Dear Sir or Madam:

Our August, 2005 statement shows three charges each in the amount of \$500 (Sequence 123, 30 and 110) for the filing of an Appeal Brief. Applicant's Appeal Brief was faxed to the PTO on August 3, again on August 4, and for the 3rd time on August 10, as no PTO confirmation was received. Attached are copies of applicant's cover sheets. Applicant felt that the second and third faxes were necessary in order to hopefully obtain PTO confirmation and knowledge that the brief had been received. However, to-date, no PTO confirmation has yet to be received for any of the facsimiles.

It is believed that our Deposit Account should only be charged once for the Appeal Brief as applicant was merely attempting to obtain knowledge that the document had been received and to make certain that brief was timely filed.

Should there be any questions, it is respectfully requested that the undersigned be contacted at the number listed below.

Very truly yours,

Devon A. Rolf
Assistant General Counsel - Intellectual Property
